4. In California it is unlawful to carry a concealed handgun for personal protection without a permit issued by local law enforcement. \_\_\_\_\_ e) No, I think that only law enforcement should be allowed to carry concealed handguns.

5. Do you support local legislation to tax the retail sale of firearms and or ammunition for the purpose of "public safety" or "anti-violence" education programs?

\_\_\_\_\_ a) Yes, would support.

\_\_\_\_\_ b) No, but advocate the spending of county funds for such a program.

\_\_\_\_\_ c) No, would not support.

\_\_\_\_\_ d) No, I would rather focus attention on teaching children how to be safe around firearms, as in adoption of the NRA's Eddie Eagle Firearms Safety Program in local schools.

6. Would you support a local zoning ordinance that would place great restrictions on the operation of Federally Licensed Firearms dealers?

\_\_\_\_\_ a) Yes, would support such an ordinance.
