

NRA Members' Council: Officer's/Committee Chairperson Policy Contract

The success of the **NRA Members' Council** program depends upon the establishment of a close working relationship between the **NRA Members' Council** and the Members' Council Program Administrator, aka NRA Staff. Officers of the **NRA Members' Councils** are asked to understand the vital communication and management link played by themselves and the National Rifle Association as a whole.

It is important to understand the following policies completely:

1. Authority to carry out specific assignments **OUTSIDE OF NRA POLICY** or to act on behalf of the NRA on projects not initiated by the NRA will be granted only by NRA Staff. NRA Staff must, first approve requests for services that fall outside the usual purview of the NRA or coming from sources other than NRA Staff, before any action may be taken on behalf of the NRA Members' Council.
2. The conduct of any matter of affairs with other **NRA Members' Councils** may be carried out only with the awareness and prior approval of NRA Staff.
3. Questions from the media must be directed to NRA Staff for comments. No comment, officially representing the **National Rifle Association** or **NRA Members' Council** may be issued to the media without the expressed written approval of NRA Staff.
4. An Officer/Committee Chairperson of any **NRA Members' Council** may reserve the right to decline participation in any function, activity or process from the NRA. But no Officer of any **NRA Members' Council** may work to purposes contradicting the official position of the NRA.
5. Any financial burden created by any **NRA Members' Council** is the sole responsibility of that specific **NRA Members' Council**.

I CERTIFY that I am a citizen of good repute of the United States of America; that I am not a member of any organization or group having as its purpose or one of its purposes the overthrow by force or violence of the Government of the United States or any of its political subdivisions; that I am not a member of any organization or group having as its purpose or one of its purposes the discrimination of any fellow citizens based upon race, creed, color, religion or national origin; that I have never been convicted of a felony or a crime of violence; and that, if admitted to membership, I will fulfill the obligations of good citizenship in support of the National Rifle Association and the Members' Council Program.

*I understand that I must attend the annual **NRA Members' Council** orientation meeting and the quarterly officers meetings and I am willing to assume the responsibilities as an Officer/Committee Chairperson of a **NRA Members' Council**. I agree to abide by the conditions outlined in this document and all other NRA Members' Council guidelines including signing and abiding to the terms of the **NRA Members' Council: Confidential Data Usage Contract**.*
