

Our purpose

- Build public awareness of the "Right to Keep and Bear Arms" as stated in the 2nd Amendment of the U.S. Constitution.
- Protect all citizens' rights by stopping legislation that attacks our freedoms, and promoting legislation that enhances our rights
- Provide Self-Protection and Firearms Safety training to the local community.
- Protect our Hunting Heritage.
- Increase NRA membership while promoting the policies and programs of the NRA.

The CALIFORNIA ALERT System

In close association with NRA staff, we distribute email alerts called CALifornia aLERTs (CAL-ERT). These reports and calls for action often describe events that took place within the past 60 minutes. We never send a CAL-ERT casually. This timely information helps NRA members contact the legislature in support of NRA's legislative goals.

If you would like to receive CAL-ERTs for FREE, on the Internet, go to our homepage: <http://www.NRAMembersCouncils.com> and click "Sign-up to receive CAL-ERTs."

NATIONAL RIFLE ASSOCIATION OF AMERICA

MEMBERS' COUNCIL PROGRAM

Today, in America, many people would deny fellow citizens their fundamental civil rights.

The NRA began in 1871, founded on the principal that the 2nd Amendment is the true and fundamental guarantee of all individual rights. For over 131 years, the NRA has fought to safeguard that guarantee, continually exposing and defeating the compromises that would destroy it. Only if we act, in that same spirit, can our actions defend the rights we exercise today and maintain those same rights for our children, just as past NRA members did for us.

Today's NRA minutemen are organized into NRA Members' Councils.

NRA Members' Councils are NOT hunting or gun clubs. They are local groups of NRA members that coordinate NRA members' efforts to fight the "Politics of Gun Control".

NRA Members' Councils are not tied to any politician or political party, but rather are SINGLE ISSUE groups of volunteers dedicated to getting gun owners involved in protecting their rights. Members' Councils are not fund raising organizations, instead they focus NRA resources to bring the NRA's message of "Safety, Responsibility and Freedom" to the local community.
