

Special Guest Speaker

Dezarae Payne

NRA Members' Councils of California Women's Outreach Coordinator

Our special guest speaker this month is a Members' Council volunteer leader who travels throughout the state helping women and girls get involved within the pro-Second Amendment movement and the Members' Councils.

Her dedication to the NRA is demonstrated by her organizational skills and simple, but effective, methods for assisting us to gain knowledge about all of the things that the NRA has to offer women.

Dezarae will help the Members' Council form their own *Women's Outreach Committee*.

Examples of events hosted by *Women's Outreach Committee*:
(partial list)

- Refuse to be a Victim® Personal Safety Seminar
- Women on Target® Instructional Shooting Clinic
- NRA Basic Pistol Shooting Course
- NRA Home Firearms Safety Course
- Firearms Training Simulator
- Field Trips – gun stores, firearms manufacturers, accessory manufacturers, etc.
- Social outings
- Tables and/or booths at other (non-NRA) events
