

Special Guest Speaker *Dezarae Payne*

NRA Members' Council Of California
Women's Outreach Coordinator

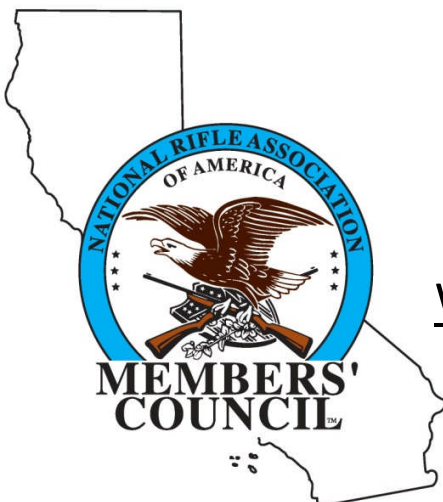

The number of women that have become law abiding gun owners have changed the landscape of the shooting sports. The trend continues and they are seeking guidance, education, and training. That is why we are proud to have **Dezarae Payne** as our guest speaker at our next monthly NRA meeting.

Dezarae is our Women's Outreach Coordinator and she will help inform women shooters and firearm owners of various NRA programs. She will also assist the Members' Councils form their own Outreach Committees! If you know any women interested in shooting, this is the meeting they should definitely attend!

Please forward this information to all gun owners and invite them to this meeting.
